

**COMPETING CAPACITIES AT THE HORA SV. KATEŘINY AND HORA SV. KATEŘINY
– OLBERNHOU ENTRY POINTS:**

Following the consent of the ERO, starting from 1 June 2016, competing capacities as defined in Commission Regulation (EU) No. 984/2013 of 14 October 2013 will be allocated at the Hora Sv. Kateřiny and Hora Sv. Kateřiny – Olbernhau entry points.

Technical, contractual and free capacities at these entry points are published on the website of NET4GAS. The entire technical capacity for these entry points is published accordingly to NC CAM within the framework of the auctions organised by the PRISMA platform.
