

Statement of NET4GAS and its shareholders on the current market situation

Prague, 26 September 2022: By way of update after 6 months on the statement of NET4GAS, s.r.o. (“N4G”) and its shareholders of 17 March 2022, N4G confirms it continues to actively monitor the market conditions in which it operates as well as all its options to promote financial resilience in its role as owner and operator of critical infrastructure in the Czech Republic. With shareholders’ support, N4G remains committed to avoid paying any dividends to its shareholders in a way that would result in any new cash outflow from N4G until the risk of an external shock materialising has significantly reduced.

NET4GAS is the gas transmission system operator in the Czech Republic, ensuring economically efficient, safe and reliable transmission services for its customers 24 hours a day, 7 days a week. Through its network of almost 4,000 km of gas pipelines, NET4GAS transports around 45 billion m³ of natural gas per year. As a Central European gas transmission system operator, NET4GAS plays an active role in connecting and integrating European energy markets to the benefit of Czech and other European customers. At the same time, the company participates in shaping the European energy market in the context of the transition to a low carbon economy. For more information, visit www.net4gas.cz/en.
