

Research Update:

Czech Republic-Based NET4GAS 'BBB' Rating Withdrawn At Issuer's Request

May 30, 2019

Rating Action Rationale

On May 30, 2019, S&P Global Ratings withdrew its 'BBB' long-term issuer credit rating on Czech gas transmission and transit grid operator NET4GAS s.r.o. at the company's request.

The outlook was stable at the time of the withdrawal reflecting our opinion that NET4GAS will continue to be supported by stable gas transit demand in Europe and a portfolio of long-term ship-or-pay supply contracts. We also expect it to see a supportive regulatory environment, predictable cash flows from domestic transportation, a substantial liquidity cushion, and shareholders' commitment to maintaining the rating. Our base case assumes funds from operations to debt of 18.0%-18.5% in 2018-2019.

The senior unsecured debt was rated 'BBB' at the time of the withdrawal.
