DECISION OF THE ENERGY REGULATORY OFFICE REGARDING ARTICLE 14 OF COUNCIL REGULATION (EU) 2022/2576

The Energy Regulatory Office has issued a decision ordering NET4GAS, s.r.o. to implement an alternative mechanism from March 31, 2023 to December 30, 2023 at all border interconnection points of the transmission system in accordance with the provisions of Article 14(7)(c) of the Council Regulation (EU) 2022/2576, of 19 December 2022, on strengthening solidarity through better coordination of gas purchases, reliable reference prices and cross-border gas exchanges, namely the mechanism of offering at least offer initially not nominated capacity on a day-ahead and within-day basis, to be allocated as interruptible capacity. Therefore, the currently applied approach of offering interruptible capacity remains at all border interconnection points of the transmission system of NET4GAS, s.r.o.
